

TP Series - Contact Lands

TP Series - Contact Lands

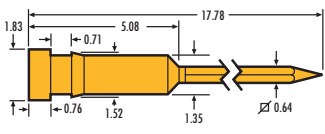

A series of precious metal coated solid lands for use as the mating part of a spring contact,

Applications include :
- as a contact plate in a battery pack
- in a docking station for a hand-held instrument

Example fitment method :

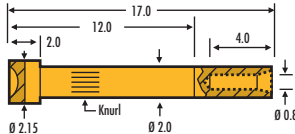

*Small sized *Gold plated *Flat headed
*Press-fitment
*Solder-in or wire-wrapping connection
*Tail can be cropped shorter or removed
*Mounting hole size 1.40mm

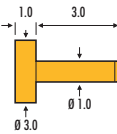

TPU-0001

*Medium sized *Flat headed(Slightly dished)
*Press-fitment
*Solder-in or solder-well connection
*Mounting hole size 1.98mm

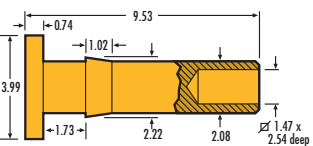

TPU-0002

*Small sized *Gold plated *Flat headed
*Press-fitment
*Solder in to a PCB
*Short overall length
*Mounting hole size 1.0mm

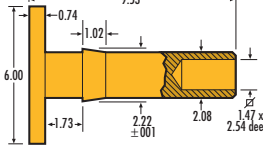

TPU-0003

*Medium sized *Gold plated *Flat headed
*Press-fitment
*Solder-in or solder-well connection
*Length 9.5mm
*Mounting hole size 2.15mm

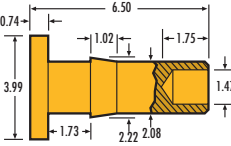

TPS-0001

*Medium sized *Gold plated *Flat headed
*Press-fitment
*Solder-in or solder-well connection
*Length 9.5mm
*Mounting hole size 2.15mm

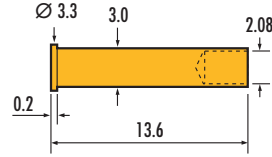

TPS-0002

*Medium sized *Gold plated *Flat headed
*Press-fitment
*Solder-in or solder-well connection
*Length 6.5mm
*Mounting hole size 2.15mm

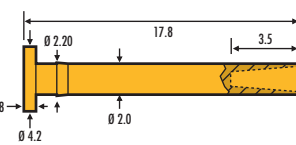

TPS-0003

*Medium sized *Gold plated *Flat topped
*Press-fitment
*Solder-in or solder-well connection
*Mounting hole size 2.98mm

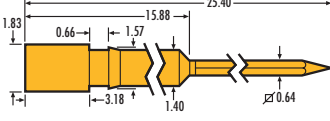

TPS-0004

*Medium sized *Gold plated *Flat headed
*Press-fitment
*Solder-in or solder-well connection
*Mounting hole size 1.98mm

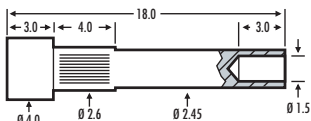

TPS-0005

*Small sized *Gold plated *Flat headed
*Press-fitment
*Solder-in or wire-wrapping connection
*Tail can be cropped shorter or removed
*Mounting hole size 1.45mm

TPS-0006

*Large sized *Rhodium plated
*Flat headed *Press-fitment
*Solder-in or solder-well connection
*Mounting hole size 2.50mm

TPS-0007

** All dimensions are in mm
